

Resolution Fall 2014-08

WHEREAS the University of North Texas Student Government Association is committed to supporting and providing student accessibility to and from campus; and

WHEREAS student mobility is vital to a successful academic career and college experience; and

WHEREAS there has been an increase in the number of global opportunities for students, including tourism; and

WHEREAS international students have a greater proclivity to use and rely on public transportation; and

WHEREAS UNT also values accessibility in that we believe that every student should have the ability to participate in our programs and that we provide assistance to make our programs and services available to all members of UNT; and

WHEREAS convenient transportation is a major factor in quality of life, thereby [or this] making good passenger rail service a vital element in the State's business development strategy;

LET IT BE RESOLVED that the University of North Texas Student Government Association support State and Federal support for the continued expansion of local passenger train service.

**Respectfully Submitted,
Troy Elliott**

In Witness thereof, I hereby certify the Student Senate of the University of North Texas Student Government Association has approved this document and is referred to the office of the President.
